The Log is centrally located on Spring St. and serves as a meeting space as well as the campus pub. We are opening our new student center in January 2007, and it will have a new campus pub. We are still determining hours and programming opportunities for our new venue.

The Log is programmed by the Student Center's Management Team. Regular events include Tuesday Irish Pub Night, Thursday Night DJ, and Log Lunches on Fridays. With many special events, there's something for everyone!

Wisconsin - Stevens Point, U. of Public It was a simple concept... create an environment where the UWSP community could gather to share ideas, stories, a friendly game of billiards, a cup of coffee and maybe even a cold beer. Students and staff of the University Center gathered during the second semester of 1997 to put their ideas on paper and put the plan in motion.
