### Read Carefully:

- Use the rest of the form to indicate the courses you have taken (or will be taking) to satisfy the major requirements.
- If you are using an approved course that is not on the official list of additional courses, make sure you include the full name of the course, the instructor's name, and the semester.
- If you are using an additional course that falls under more than one listed area, indicate the area you wish it to count towards (e.g., LING411 could count towards either linguistics or neuroscience).
- If you are using an independent research course, indicate the supervisor's name and the area of research.
- Please mention any special issues that we should be aware of when reviewing your transcript for purposes of graduation.

## Core Courses
