

JONES STUDENT ASSOCIATION Action Item Report

ACTION ITEM TITLE: After hour parking in the Central Campus Garage

BRIEF DESCRIPTION: The issue concerns the possibility of giving Jones School students who purchase commuter lot parking stickers access to the Central Campus garage after working hours and possibly on weekends. This would give MBA students a great deal of convenience and would also help guarantee safety to those who often do not leave the building until late in the night.

DATE REPORTED: 3/31/03

JSA REPRESENTATIVE ASSIGNED: Elizabeth Tobin

RESOLUTION STEPS: An email concerning the matter was sent to Eugen Radulescu, Parking Facilities Manager, who responded with an email outlining why *after hour parking would not be a feasible option at this time*. Please see below for the text of the response email.

ADDITIONAL DOCUMENTATION: Email response from Eugen

Elizabeth,

The Central Parking Garage is often used in the evenings and on weekends for event parking for Baker Institute, Jones School, Student Center and the School of Music. If we would allow students and/or faculty/staff who are assigned to park in other lots to park in the garage during the evening hours and/or on weekends, we would reduce the number of spaces available for visitor parking. Although the garage was mainly envisioned for visitor parking, we assigned 50% of its capacity to contract parking. Occasionally, the 50% of the total parking spaces available for visitor parking are not enough. There is also a revenue factor that must be taken into consideration. I am sorry that I cannot give you a more positive answer to your request.

Best regards,

Eugen
