

## **JONES STUDENT ASSOCIATION**

### **Action Item Report**

---

**ACTION ITEM TITLE:** Undergraduate classes and review sessions are being held in the Jones School

**BRIEF DESCRIPTION:** It was reported that undergraduate classes and review sessions are currently being conducted in the Jones School on a regular basis.

**DATE REPORTED:** 10/23/2004

**JSA REPRESENTATIVE ASSIGNED:** Elizabeth Tobin

**RESOLUTION STEPS:** It was determined that there are in fact a very limited number of undergraduate classes and review sessions scheduled to take place in the Jones School classrooms. The majority of these classes are conducted by Jones School faculty members that also teach undergraduate classes (i.e. Professor Zeff). It was also found that there are excess classrooms available at most times so this does not present a problem, but the possible use of break-out rooms does. The break-out rooms are solely for the use of Jones School students, and this policy is (and must continue to be) strictly enforced. If you see any non-Jones students in these rooms please notify them of this policy or take your concerns to Peggy Shaw.

**ADDITIONAL DOCUMENTATION:** None

**CASE CLOSED:** 11/12/2004
