

Dear Hester House

Hi, My name is LaVelle Kennard and I like to come to the Hester House because I can play all the new game that they have there and I can learn a lot from the two teachers that are over there. Another thing is that the two teachers can teach me ~~me~~ right from ronge and they are a lot of fun. That is why I like to go ~~to~~ to the Hester House every day.

Thank You

LaVelle Kennard
