## An English Institution

They standardized its formal rules in 1863, and today, the British still consider soccer a fundamental part of their culture. It's considered a premier sport, and its players are some of the country's most recognized personalities. The British have established one of the largest and most revered soccer legacies in the world.

## Coming to a Field Near You

Challenger Sports, the number one provider of sports activities for children in the U.S., is bringing this expertise and passion to your community. British Soccer Camps give children a week of coaching and confidence building from a staff of specially trained British soccer athletes.

## It Starts with Our Staff

Each of our coaches hold a national coaching license in Great Britain and are trained specifically for this program.

They're hand picked by Challenger Sports because they love working with kids, and understand how to effectively implement our philosophy: to make campers smile everyday, help them learn, and challenge them to become better people as well as better players.

## Kids Learn 'The Challenger Way'

After 15 years of research in over 10,000 soccer camps across the U.S., Challenger has developed our own, innovative way of coaching children. Through "The Challenger Way", we incorporate personal challenges, maximum participation, fun and constant, positive feedback.

## Check Camp Information on Cover

There are separate programs for all levels and ages. Every day includes individual foot skills, technical drills, tactical practices, small-sided games, coached scrimmages and a daily tournament.

## Of Course You Get a Shirt and Ball!

Unless listed on the camp information section, each camper will receive a Challenger soccer ball, British Soccer Camps t-shirt, a camp award and an individual skills evaluation.

## The Most Important Lessons

British Soccer Camps teach kids confidence, self-discipline, good sportsmanship and, most importantly, respect for yourself, other players, and the game.

## Football? Kit? Boots?

Is British another language? Participating in British Soccer Camps broadens your child's cultural horizons as well. It exposes them to people from another country without leaving American soil.

Extend this cultural experience by hosting one of our coaches during your week of camp, and in return, your child attends free. This is a great way for your child to learn more about the rich heritage of British Soccer.

## I Want to Help My Child Reach Their Full Potential.

Just complete the application form and return it with your \$30 deposit to the local coordinator named on the camp information section of this brochure. Applications received less than 15 days before camp are not guaranteed to receive a ball and shirt on the first day.

Camp coordinators will make every effort to accommodate time preferences; however, enrollment is limited and applications are taken on a strictly first-come- first-serve basis.

At British Soccer Camps safety comes first. Preorder these special edition British Soccer XARA shinguards when you sign up for camp and have them waiting for your child on the first day of camp.
