

Gift notecards

**\$8.50 for 8 notecards and envelopes
(4 images)**

International Programs is offering unique notecards featuring prize-winning images from our annual student photo contest. Each photo was taken by an undergraduate Rice student participating in a study abroad program.

Each year approximately 250 Rice undergraduates participate in Rice's study and work abroad programs. For many of these students, this was possible only through the generous travel scholarships given by faculty, alumni and community members, who themselves understand the value of time abroad.

All proceeds from the sale of these cards will be used for travel scholarships for future Rice students participating in Rice's international programs.

Give the cards as gifts, or buy them for yourself!
